Presidents Message

We had another great turnout at Tortilla Flats for dinner before the meeting. There will be no meeting in July. Glenn and I will be hosting the President's picnic at our home at 5726 Puerta Del Sol in Camino. If you need directions just call us. We are in the back of the community. I guess we're so far back that some of our Orange County friends came to see us and wanted to know if we were in the witness protection program!!

We will be supplying the hot dogs, hamburgers and condiments and water. A sign up sheet was passed around at the meeting. If you weren't there but plan to attend please let me know. We don't want to run out of hot dogs and burgers. We want you all to go home satisfied and stuffed.

Trudy has announced that there will be a short Apple Hill meeting before the picnic begins. If you are a committee member, please be at our home by 10:30am.

Had a great turnout for the Father's Day event at Eskaton. Thanks to all that attended.

Not much else to report. See you at the President's picnic.

Sharon

Paint Placerville

Major paint companies have selected several towns in California to be considered for a complete paint job on the downtown area, Placerville is one of those towns. The town that wins will be determined by the number of votes received at paintwhat-matters.com The program runs until the end of June. Use of this email address will not put you on any list or junk mail site. Go to the address, it will bring up a map of the USA, click on California and it will show a list of the towns eligible, click on Placerville and that is all there is to it. Vote once a day and if you have more than one email address you can vote from each one. It would be nice to see downtown with fresh paint.

Thanks

Wendy Ogden
